■ Standard equipment □ Optional equipment

■ The M Leather steering wheel including multifunction buttons, an M badge and an integrated driver-side airbag is featured in three-spoke design. With a steering wheel rim in leather 'Walknappa' Black with black stitching and contoured thumb rests, it provides a direct, athletic steering experience.

■ The M Multifunction seats for driver and front passenger in exclusive design offer comprehensive adjustment possibilities and provide perfect support.

■ 20" M light alloy wheels Double-spoke style 706 M Black with mixed tyres, wheel size front 9.5J x 20 with 275/35 R20 tyres, wheel size rear 10.5J x 20 with 285/35 R20 tyres.

□ Thanks to the use of a special material mix, M Compound brakes with brake calipers in Red high-gloss achieve outstanding deceleration values and are extremely stable and highly durable.

■ The black "M5 Competition" designation on the rear is an indication of the vehicle's extraordinarily high driving dynamic potential.

■ As soon as the door is opened, the illuminated door sill finishers with "M5 Competition" designation increase the thrill of anticipation for the following driving experience.

HIGHLIGHTS.

Discover even more with the new BMW Brochures app. Available now, for your smartphone and tablet.

■ Standard equipment □ Optional equipment

■ In laser high-beam mode, BMW Laserlight illuminates a range of up to 650 m, nearly twice as far as that of conventional headlights. Better visibility in the dark significantly increases safety. Blue accents and the lettering "BMW Laser" in the headlight also underline the technological standards and the sportiness of the vehicle.

□ The M Carbon ceramic brake¹ delivers braking power more directly. It is non-corrosive, very resistant to abrasion, tolerates more heat and contributes to a lower vehicle weight, which has a positive impact on agility, dynamics and acceleration. Matt Gold-coloured brake calipers with the M designation make this special technical equipment visible from outside the vehicle.

■ The BMW Live Cockpit Professional with navigation function includes two high-quality displays consisting of a high-resolution 12.3" Control Display that can be operated by touch and a fully digital 12.3" instrument display. The BMW Operating System 7 can also be operated via the iDrive Touch Controller.

□ The Bowers & Wilkins Diamond surround sound system with two diamond tweeters features outstanding studio-quality sound for every seat in the vehicle. 16 carefully positioned speakers ensure a mesmerising sound experience. The speakers are illuminated, visually emphasising the system's outstanding sound quality.

■ As part of the intelligent lightweight construction concept, the M carbon-fibre roof helps to reduce the vehicle's weight. It consists of carbon-fibre reinforced plastic (CFRP) and is 800 g lighter than a comparable aluminium standard roof. That way, the centre of gravity of the vehicle is shifted downwards and the driving dynamics are increased.

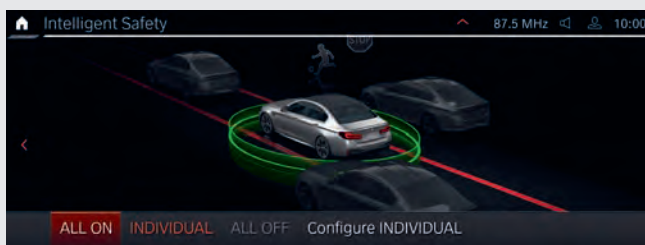

■ The full-colour BMW Head-Up Display² with M specific functions projects information relevant for the journey directly into the driver's field of vision. With the press of a button, the driver can switch to the M specific display, which includes a gear indicator, the rpm as a dynamic range curve with shift lights indicating the optimal moment to shift as well as navigation tips.

■ Ambient light, including Ambient contour lighting in the front and rear doors, creates a relaxed, cosy lighting atmosphere in the interior. The six dimmable lighting designs also include a dynamic function in four applications.

■ The M Setup allows you to configure various driving dynamics parameters according to your individual requirements.

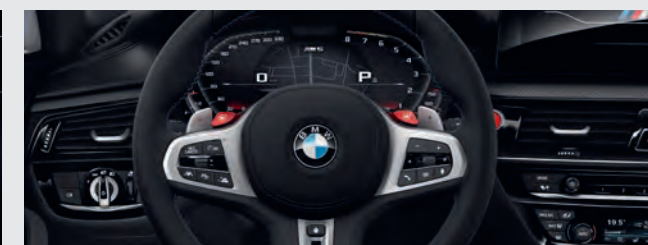

□ Driving Assistant Professional³ * offers optimum comfort and safety during critical or monotonous traffic situations. Apart from the contents of the Driving Assistant, it also includes Steering and Lane Control Assistant with extended functions, Emergency Stop Assistant and Lane Keeping Assistant with active side collision protection.

□ Parking Assistant Plus makes parking and manoeuvring the vehicle easier. It features among others the Surround View system including Top View, Panorama View, Remote 3D View, as well as a lateral parking aid, the emergency braking function Active Park Distance Control, Parking Assistant⁴ with longitudinal and lateral guidance and Reversing Assistant.

■ BMW M xDrive with Active M differential guarantees maximum traction and driving dynamics for everyday driving, as well as at the racetrack. The M specific technology combines the typical agility of a rear-wheel drive with the control of an all-wheel drive. You can choose between the drive variants 4WD, 4WD Sport and – in DSC-off mode – 2WD.

The 8-speed M Steptronic transmission with Drivelogic features extremely short shifting times and numerous shifting options.

¹ Depending on conditions and usage, features specific to the materials used can lead to operational noises, particularly in wet conditions, just before the vehicle comes to a halt.

² The information in the BMW Head-Up Display is not fully visible when viewed through polarised sunglasses.

³ Function may be limited in darkness, fog or bright glare.

⁴ The driver is responsible for constantly monitoring the automated parking procedure in accordance with local road laws.

Please consult your local BMW partner for more information.

*The availability of some equipment features and functions depends on engine variants or additional options. The market and production availability may vary. You can find detailed information about duration, standard and optional equipment at www.bmw.in or at your BMW Partner.

BMW EXTENDED WARRANTY AND SERVICE PACKAGES.

A BMW M5 COMPETITION will run well when it's kept well. And to make your journey one with complete peace of mind, we have packages under BMW Service and Repair Inclusive that take care of maintenance, inspection, wear and tear and warranty.

BMW Service Inclusive (BSI)

A single up-front payment covers an extensive range of work on your BMW M5 COMPETITION for a fixed period.

Complete Cost Control.¹

Integrate the cost of service work in your leasing and finance installments.

Fully Flexible.

You have a choice of various packages with different durations and mileage. You can choose from 3 years with 40,000 km to 10 years with 2,00,000 km.

Easily Transferable.

Consistent maintenance by trained BMW Certified Technicians and the use of Original BMW Parts secure the value of your car in the long term. In case you sell your car, BMW Service Inclusive is automatically transferred to the next owner – an additional selling point.

BMW Repair Inclusive (BRI)

BRI offers the ease of extending the warranty of your car with unlimited mileage up to 5 years. BRI too is automatically transferred to the next owner in the event of selling your car.

	Service Inclusive Packages	Service Inclusive Basic	Service Inclusive Plus	Repair Inclusive
Scope of Services		Maintenance All maintenance work, including any BMW Original Parts and oil required.	Wear and Tear Additional wear and tear repairs including any Original BMW Parts required.	Repair Extension of your statutory right to claim for vehicle defects (warranty).
Maintenance	Engine oil service	✓	✓	
	Engine oil top ups	✓	✓	
	Vehicle check and standard scopes	✓	✓
